4. HC Media Team
 1. The HC Media Team came in to discuss the opportunities available to Honors College students. At events, they would like to see students do a social media takeover at HC events, such as posting on the HC instagram for the day. They are also looking for students to participate in their new video series called Ask HC, where students answer questions about their HC experience. They also shared ways for HC students to share their own news and feature it in the HC newsletter.
