

1. Welcome
2. Happy Quarters
3. Geek Week
  1. Every year, Rutgers hosts a Geek Week in early spring, where there is different programming regarding a specific theme, usually relating to science fiction pop culture. The Honors College also has its own day during Geek Week where it puts on lectures and different programming. We discussed ideas for possible themes for this year's Geek Week such as Avatar, Stranger Things, and the Matrix.
4. Housing Town Hall 11/29: There will be a town hall answering all questions related to Honors Housing lottery and how that will work.
5. Committee Time
